A G E N D A I T E M S

02.408.001: Approval of action taken by Hon'ble President, PCI regarding delegation of powers of Sh. Anil Mittal, Registrar-cum-Secretary to Ms. Pratima Tiwari, Deputy Secretary.

(34-44/2002-PCI)

1.1 The latest information on record was placed and considered.

1.2 It was noted that due to the suspicion over the actions/conduct of Mr. Anil Mittal, Registrar-cum-Secretary, PCI in relation to the operations of the PCI, as well as his actions resulting into insubordination and non-cooperation towards the President of PCI and the other employees of PCI, an order dated 10th April, 2024 ("Order") was passed by the President of PCI, for delegation of the Registrar-cum-Secretary's powers to the Deputy Secretary i.e., Ms. Pratima Tiwari. Pursuant to the Order being passed by the President, an urgent executive committee ("EC") meeting was called, accordingly, the 407th EC Meeting held on 12th April, 2024 ("EC Meeting"). The Order was unanimously ratified by the members in the EC Meeting.

1.3 It was noted that pursuant to the EC Meeting, an email dated 16th March, 2024 was sent by Mr. Anil Mittal, Secretary-cum-Registrar, to the President of PCI as well as Central Council ("CC") members of PCI and the Secretary, Ministry of Health and Family Welfare, Government of India ("MoHFW"), with unsubstantiated and frivolous allegations on the: (i) President of PCI; (ii) Deputy Secretary of PCI; and (iii) functioning of the EC. It is most important to note that the said email dated 16th April, 2024 from Mr. Anil Mittal was sent to the aforesaid office bearers, whereby he surpassed the EC by reaching out to the CC and the Secretary, MoHFW directly without sending any communication to the EC, whereas the deciding in this case is EC. Therefore, the said actions of Mr. Anil Mittal, evidently demonstrates his ulterior motive of maligning and defaming the reputation of PCI (including the members of PCI and President of PCI).

1.4 While discussing the email dated 16th March, 2024, it was observed that the email dated 31st March, 2024 addressed to President, PCI and copied to registrar@pci.nic.in (which was at that time under the direct authority of the Shri Anil Mittal only) has not been brought up in the agenda of the meeting, this lapse appears to be a deliberate suppression of facts of email dated 31st March, 2024 by Shri Anil Mittal, Registrar cum Secretary. Further, the above-mentioned email has not also been deliberately put up in the official files and records of the Council for which proper facts of the pertaining issue could not be placed before the EC.

1.5 In view of above and to ensure uninterrupted functioning of PCI, it was decided as under –

a) The PCI is a statutory body operating under the Ministry of Health and Family Welfare, Government of India, as mandated by the Act. PCI's primary function is to oversee pharmacy education, regulate the profession and practice of pharmacy, and facilitate the registration of pharmacists under the provisions of the Act. Therefore, keeping in view of the aforesaid events and in order to ensure the uninterrupted functioning of PCI, appropriate show cause notice is to be served to Shri Anil Mittal, Registrar-cum-Secretary. The show-cause notice should mandate the response to be provided within 07(seven) working days on receipt of such notice. Thereafter further line of action will be decided.

i) What is the reason behind Mr. Mittal's insubordination towards the President of PCI. Why disciplinary action should not be taken against Mr. Mittal for such insubordination;

ii) With what motive, Mr. Mittal has concealed the facts pertaining to the functions of PCI, and why the said facts have been concealed from the President of PCI and other employees of PCI. Why disciplinary action should not be taken against such acts of Mr. Mittal;

iii) Why Mr. Mittal is not co-operating with the employees of PCI, and why appropriate action should not be taken against him;

iv) Whether Mr. Mittal has any intention to resign from the employment of PCI;

v) Mr. Mittal has made frivolous and unsubstantiated allegations against the members of PCI and the President of PCI. Why an action should not be taken against him.

b) The President, PCI is authorised on behalf of EC to issue show cause notice to Shri Anil Mittal, Registrar-cum-Secretary for any administrative lapses as and when such issues come to knowledge of the President, PCI.

c) Shri Anil Mittal, Registrar-cum-Secretary shall continue to act as the signatory authority in all the financial matters and any other matter as and when desired by the President for the furtherance of the objectives of the Pharmacy Council of India from time-to-time.
