Ref. No. 14-154/2025-PCI

To All Pharmacy Institutions approved by the PCI

Sub: Carryover Provision for Existing B. Pharm Students Admitted up to the Academic Year 2025–2026.

Ref: Item No. 15 of 447 EC (2.7.2026).

Sir/Madam,

With reference to the subject cited above, it is informed that the implementation of the revised B. Pharm Syllabus (2026) as per NEP 2020 prescribed by the Pharmacy Council of India (PCI) for students admitted from the academic year 2026 2027 onwards, all students admitted to the B. Pharm programme up to the academic year 2025–2026 shall continue to be governed by the syllabus and regulations under which they were originally admitted.

To enable these students to complete the programme under B. Pharm Syllabus (2016-2017), they shall be permitted to progress to the next higher semester and attend classes, irrespective of any backlog courses. Students may continue their studies from the semester immediately following the last semester attended by them, while carrying forward their backlog courses and may continue in this manner up to the Eighth Semester.

As no new admissions will be made from 2026-2027 onwards under the B. Pharm syllabus (2016-2017), students with a shortage of attendance in any semester shall be given an opportunity to make up the required attendance through special classes, additional instructional hours conducted beyond regular class hours, during study leave periods or through other arrangements approved by the institution.

This provision is intended solely to help students meet the minimum attendance requirements and complete the programme under the regulations applicable to their admission. It is the responsibility of the university/institution to ensure that, students admitted as per B. Pharm Syllabus (2016-2017) complete the program as required.

This is for information and necessary action.

Yours faithfully
