Sir/Madam

This is in reference to Council's above cited circular dt. 4.11.2026.

In view of several representations received from pharmacy institutions to extend the date, the Pharmacy Council of India (PCI) has decided, as a special case, to extend the last date for submission of applications through the PCI Portal for the academic session 2027-2028 up to 15.12.2026. This extension shall be applicable only to existing permanently approved institutions for submission of the Standard Information Form (SIF) for consideration under Section 12(3) of the Pharmacy Act, 1948. It shall not be applicable to new institutions, raise in admission and introduction of new courses. All other timelines of the prescribed schedule shall remain unchanged.

All the institutions are requested not to wait for the last date as crowding may slow down the server, hence application be submitted at the earliest within the stipulated date.

In case of any technical query/glitch, please take a screenshot and forward to the PCI grievances portal only. Any communication regarding technical glitches/query sent by mail or hard copy to Council will not be considered for future reference for any legal case/issue. Complaint/Technical glitches received in Grievance portal will only be considered.

Yours faithfully
